Persons who complete this course will be awarded the following certification.

**Certificate  
Status  
For Period**

**Course Description**

This course, for managers and supervisors, is designed to teach the basics of servant leadership and differences between the traditional power model of leading and a servant led model, relating to equity and sustainability in decision making. Topics to be covered include the purpose behind servant leadership, the business case for servant leadership, and how servant leadership can lead to higher engagement, more trust, and stronger relationships with stakeholders, leading to high velocity decision making.

**Class Sessions**
