Persons who complete this course will be awarded the following certification.

**Certificate**

**Status**

**For Period**

### Course Description

This course is designed to certify students to be factory trained armorers for the Smith & Wesson M&P 1.0 Pistol. Focus will be on nomenclature, field stripping and maintenance, safeties and safety checks, detailed disassembly, troubleshooting and minor repairs. Performing lessons repeatedly will insure good hands-on instruction for a better understanding of this firearm. Upon successful completion of the course, students will be certified for 3years.
