Course Description

This is a 4 day, 28 hour course designed to educate on topics of crime prevention techniques. Each day has topics that can be presented to the community or other groups. This course will also provide attendees the skills to conduct a successful residential and commercial crime prevention survey for citizens and business owners. The students also receive a flash drive loaded with Power Points on each of the presented topics; along with PDF's of various pamphlets that can be printed for hand out.
