

MD Police & Correctional Training Commissions (MPCTC)

Guidelines for Accessing the Public Safety Education & Training Center

- Effective August 9th, 2021, **masks** are mandatory when entering an indoor environment, and when moving through indoor communal spaces of any MPCTC building. Please ensure you bring a facemask with you to campus.
- All persons seeking admission to a building at the Center shall enter through the main doors of the building and adhere to any posted requirements.
- MPCTC continues to encourage social distancing and proper hygiene techniques, including frequent handwashing. Instructors are responsible for ensuring appropriate procedures in the classroom at all times.
